INDEPENDENT ASSURANCE REPORT TO THE BOARD OF THE DIRECTORS OF LB FINANCE PLC ON THE INFORMATION PRESENTED WITH REFERENCE TO THE GRI, SLFRS S1 and S2, SASB STANDARDS AND THE INTEGRATED REPORTING <IR> FRAMEWORK IN THE INTEGRATED ANNUAL REPORT -2025.

SCOPE

We have been engaged by the management of LB Finance PLC ("the Company") to perform an independent limited assurance engagement, as defined by the Sri Lanka Standard on Assurance Engagements, on the information presented with reference to the GRI (Global Reporting Initiative), SLFRS S1 and S2, SASB (Sustainability Accounting Standards Board) Standards and the integrated reporting <IR> framework ("Information") in its Integrated Annual Report for the year ended 31 March 2025 (the "Report").

MANAGEMENT'S RESPONSIBILITY

Management of the Company is responsible for preparation and presentation of the information with reference to the GRI, SLFRS S1 and S2, SASB standards and the Integrated Reporting <IR> framework. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the information that is free from material misstatement, whether due to fraud or error.

OUR INDEPENDENCE AND QUALITY CONTROL

We have complied with the independence and other ethical requirements of the Code of Ethics for Professional Accountants issued by CA Sri Lanka (Code of Ethics), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality, and professional behavior. The firm applies Sri Lanka Standard on Quality Management and accordingly maintains a comprehensive system

of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements.

OUR RESPONSIBILITY

Our responsibility is to express a conclusion on the information presented in Report with reference to the GRI, SLFRS S1 and S2, SASB standards and the Integrated Reporting <IR> framework. We conducted our limited assurance engagement in accordance with the Sri Lanka Standard on Assurance Engagements 3000, Assurance Engagements other than Audits or Reviews of Historical Financial Information ("SLSAE 3000") issued by the Institute of Chartered Accountants of Sri Lanka. That standard requires that we plan and perform this engagement to obtain limited assurance about whether the information is free from material misstatement.

A limited assurance engagement undertaken in accordance with SLSAE 3000 involves assessing the risks of material misstatement of the information whether due to fraud or error, responding to the assessed risks as necessary in the circumstances, and evaluating the overall presentation of the information.

A limited assurance engagement is substantially less in scope than a reasonable assurance engagement in relation to both the risk assessment procedures, including an understanding of internal control, and the procedures performed in response to the assessed risks.

The procedures we performed were based on our professional judgment and were included,

- Comparing of the content of the Report against the GRI, SLFRS S1 and S2, SASB standards and the Integrated Reporting <IR> framework.
- Inquiring relevant organization's personnel to understand the process for collection, analysis, aggregation, and presentation of data.

- Cross checking the non-financial data / information presented in the Report with the supporting documents and schedules maintained by the Company.
- Checking the calculations performed by the organization on a sample basis through recalculation.
- Cross checking the financial information presented in the Report with the audited financial statements of the Company for the financial reporting period ended 31 March 2025.

CONCLUSION

Based on the procedures we have performed and the evidence we have obtained, nothing has come to our attention that causes us to believe that the information, as defined above, for the year ended 31 March 2025, is not presented, in all material respects, with reference to the GRI, SLFRS S1 and S2, SASB standards and the Integrated Reporting <IR> framework.

OTHER MATTER

Our assurance is not extending to the prospective/ comparative information, or any other information presented in the Report other than based on the GRI, SLFRS S1 and S2, SASB standards and the Integrated Reporting <IR> framework. Further, we do not provide any assurance on the assumptions and achievability of prospective information presented in the Report.
